

WILLOWWIND
S C H O O L

ANNUAL
REPORT

2022-2023

Land Acknowledgment

Willowwind School is located on the homelands of the Ojibwe/Anishinaabe (Chippewa), Báxoe (Iowa), Kikapú (Kickapoo), Omāēqnomēwāk (Menominee), Myaamiaki (Miami), Nutachi (Missouri), Umoho (Omaha), Wahzhazhe (Osage), Jiwere (Otoe), Odawaa (Ottawa), Páka (Ponca), Bodéwadmi/Neshnabé (Potawatomi), Meskwaki/Nemahahaki/Sakiwaki (Sac and Fox), Dakota/Lakota/Nakoda (Sioux), Sahnish/Nuxbaaga/Nuweta (Three Affiliated Tribes) and Ho-Chunk (Winnebago) Nations. The following tribal nations, Umoho (Omaha Tribe of Nebraska and Iowa), Páka (Ponca Tribe of Nebraska), Meskwaki (Sac and Fox of the Mississippi in Iowa), and Ho-Chunk (Winnebago Tribe of Nebraska) Nations continue to thrive in the state of Iowa and we continue to acknowledge them. Willowwind School recognizes that it is our responsibility to acknowledge the sovereignty and the traditional territories of these tribal nations, the treaties that were used to remove these tribal nations, and the histories of dispossession that have allowed for the growth of Iowa City, Iowa state, and the United States.

(prepared by the University of Iowa Native American Council)

Our Mission

Willowwind School is a joyful learning community where children develop their unique potential through child-led inquiry.

From the Head of School

Dear Willowwind School Community,

It is my privilege to serve as the new Willowwind head of school. A world class education is one of the best gifts we can give our children. This is exactly what we offer at Willowwind School. Our sixteen to one student-to-teacher ratio allows for a very personalized approach to education, allowing us to create educational experiences that meet the needs of every child. Our pre-K through grade 6 campus is a diverse community of globally-minded students, parents, and teachers focused on educating the whole child. Our goal is to prepare life-long learners who are creative, think critically, and communicate effectively. At Willowwind we are focused on the joy of learning. Our teachers are dedicated to creating a learning environment where students can explore all forms of knowledge, develop future-readiness skills, and surpass their individual expectations.

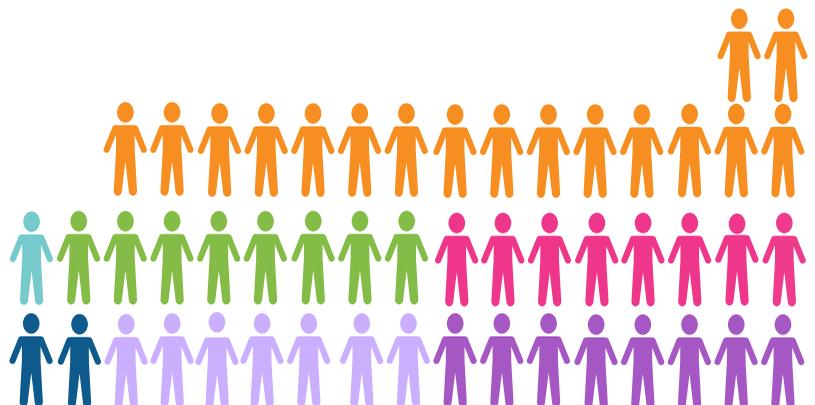

We approach learning with a constructivist mindset while building a collaborative, inquiry-based culture that honors and values everyone. We are committed to future-ready students capable of greatness. Our transformative culture is focused on building relationships and collaboration. It allows our students to explore their individual learning and reflect upon how they can help others and become motivated citizens of the world. Looking forward, we have created some new positions for this academic year. Lisa Kavanaugh will serve as our curriculum coordinator. She will support all teachers with curriculum mapping, instructional resources, and professional development. Lisa will be an added resource to help with curriculum differentiation throughout our K–6 program and teach STEAM. Darla Burr has moved to being both math teacher, STEAM teacher, and interventionalist. She will be teaching math in grade 1st - 3rd, allowing for separate instruction in both literacy and math for all combined classrooms. She will also be working with K–6 students as an interventionalist to provide personalized learning and support in both literacy and math.

In addition, we are rolling out our new enrichment program this fall for families. This program will include opportunities for students to explore topics like Taekwondo, Robotics, and Odyssey of the Mind. We will continually strive to provide new enrichment courses during the spring semester and within our summer camp. These courses will be offered to our Willowwind community and the greater community at large. I look forward to partnering with you in meeting the academic, emotional, and social needs of your children. My door is always open. Thank you for your continued support!

Warm regards,

A handwritten signature in black ink that reads "Stacy Stoyanoff". The signature is fluid and cursive.

Stacy Stoyanoff
Head of School

Core Values

SELF-DIRECTION:

We each develop our own unique potential by applying curiosity, goal-setting, and persistence to learning.

COMMUNITY:

Understanding that we are stronger together, we foster healthy connections among members of the Willowwind community as well as between Willowwind and the broader community.

FLEXIBILITY:

We respond with creativity to the needs of our people and educational programs and to opportunities that arise.

INCLUSIVENESS:

We welcome all with kindness and with appreciation for diverse perspectives, circumstances, experiences, abilities, and potential.

STEWARDSHIP:

We practice and promote responsible planning and care for the resources of our community and for the natural world around us.

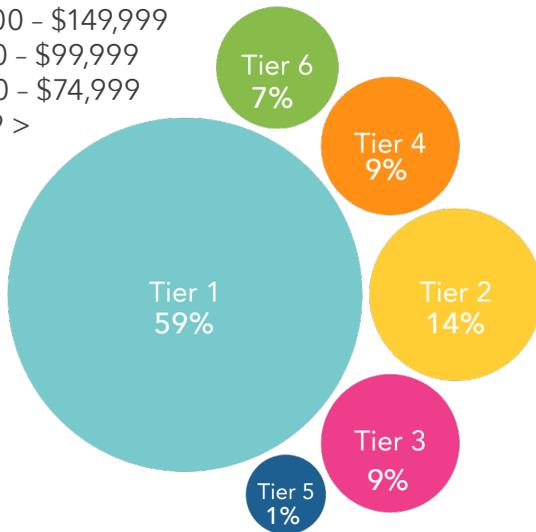

These core values guide how we behave as we live out Willowwind's mission and consider future opportunities and areas of potential growth.

Willowwind School Community

Spring Learning Showcase

Spring Learning Showcase provides an opportunity for families to engage students in conversations about their learning and experience the progression of learning across the grades. In the weeks leading up to Willowwind's Spring Learning Showcase, students in grades K-6 work hard to brainstorm, research, and experiment with a variety of science and social studies topics through a hands-on, project-based learning approach. This year's projects highlighted learning of science concepts. Kindergarten and first grade students explored concepts of light and sound. Second grade students learned about physics and used properties of force and motion to engineer their own Rube Goldberg machines. Third grade students got creative about solving problems. They used the engineering design process to come up with a unique invention and build a prototype. They pitched their inventions to parents at Willowwind's Invention Convention. Students in grades 4-6 designed and implemented an experiment to answer a scientific question about a topic of their choosing. They researched, collected data, and presented their findings to a panel of judges at Willowwind's Science Fair.

All K-6 students shared their work at the Spring Learning Showcase. All Willowwind families were encouraged to attend the event and to invite extended family and friends to join the celebration of student learning.

Planets Art Installation

Willowwind School's 4th-6th grade students spent several weeks researching the eight major planets in our solar system, as well as Pluto and the sun. Students worked in teams to research a planet of their choosing and wrote a two paragraph summary of what they learned. Students then collaborated on composing a tanka, a Japanese form of poetry similar to a haiku, inspired by their planet. Beginning with the sun at E. Court Street and S. Westminster Street and extending nearly 1/3 mile along Court Hill Park trail ending at Meadow Street, visitors will find kinetic sculptures representing these ten celestial bodies. Accompanying each sculpture is an informational sign with the students' research and original poem. This project was unveiled in May and will remain up through the fall of 2023.

This project was supported by many teachers, staff members, and parent volunteers at Willowwind School, as well as Tyler Baird and the City of Iowa City Parks Department, Jim Rogers at PlexiCraft Inc., and Jay Herman of Herman Enterprises.

Pictured below: Erin Triacoff; 1st/2nd teacher walking her students thru the art installation. 4th-6th grade students installing the planets at Court Hill Park.

Faculty Achievements

Pictured above: Michelle Beninga, former head of school, Kaye Lindsley, preschool teacher, and Anne Ehlinger, business manager.

INNOVATION IN EDUCATION 2023 WINNERS

Our dedicated and talented teachers and staff have been recognized for their exceptional teaching skills and commitment to their students' success. These awards are a testament to the hard work and dedication of our teachers and staff and we couldn't be prouder of them. Congratulations to all the award recipients and our entire school community for this outstanding achievement!

Kaye Lindsley was selected for The Early Childhood Innovation Award!

This award recognizes outstanding childcare providers and programs for their commitment to building the foundation children need to make the best possible start in life. They are committed to tackling the ever-changing challenges and demands of providing accessible and high-quality childcare through creative problem-solving and collaboration.

Anne Ehlinger was selected for The Administrative/Support Staff Excellence Award!

This award recognizes the exemplary service of a dedicated administrative assistant or employee who fosters a positive learning and supportive environment at their school.

Willowwind School was selected for The Impact Award!

This award is given to a school group that embraces three core goals: to inspire, innovate, and achieve. Their pursuit of these three goals culminates to realize a fourth: IMPACT on teachers, students, and their community. Willowwind School exceeds all others in its ability to impact students and teachers through inspiring, innovative, exceptional, unprecedented and/or extraordinary program components. Michelle Beninga accepted this award on behalf of the school.

Student Achievements

ONE BOOK TWO BOOK

During the 22-23 school year, five Willowwinders were recognized for their outstanding writing at Iowa City's UNESCO One Book Two Book festival. Congratulations to Jasper H., 3rd Grade (Write Stuff category) and Grayson H., 6th Grade (Write Stuff category). Vance V., 2nd Grade (from the Heart category), Cohen M., 3rd Grade (from the Heart category), Max B-M., 4th Grade (from the Heart category), Emma Y., 5th Grade (from the Heart category), and Zariah J., 6th Grade (from the Heart category). Also being recognized for their outstanding writing, congratulations to Anna B., 2nd Grade, Edie S., 3rd Grade, Rowan E-L., 4th Grade and Molly N., 6th Grade.

Pictured above back row: Emma Y., Molly N., Zariah J., and Grayson H. Front row: Vance V., Cohen M., Anna B., and Jasper H.

WRITE NOW'S HAWKEYE HAIKU CONTEST

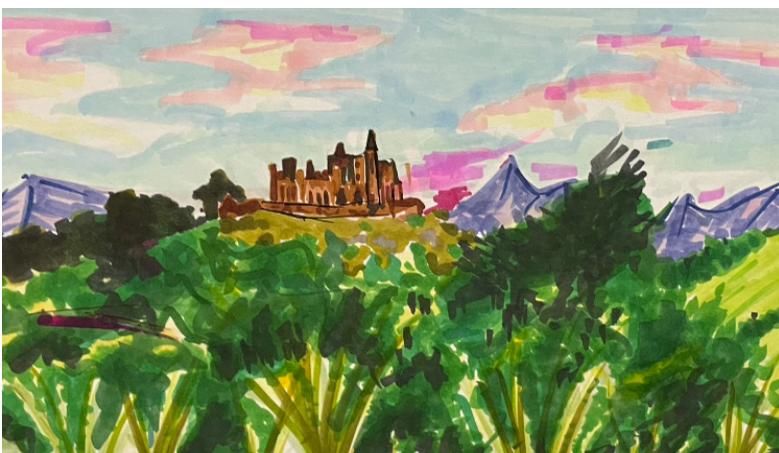

Willowwinders have outdone themselves on the literary front. During the 22-23 school year, we beamed with pride as we celebrated eleven students whose original writing was recognized at the Write Now's Hawkeye Haiku Contest. Our students were selected from more than 314 University of Iowa alumni and friends from around the world who submitted haikus during the University of Iowa's haiku contest in the fall. Ellie N., 4th Grade (Honorable Mention), William B., 3rd Grade (Winner), Gabby A., 4th Grade (Honorable Mention), Zariah J., 6th Grade (Honorable Mention), Emma Y., 5th Grade (Winner).

Pictured above: Ellie N., William B., Gabby A., Zariah J., and Emma Y.

MIDWESTONE ART SHOW

Each year MidWestOne Bank selects 25 pieces of artwork to be featured in the Kids' Art Calendar and an additional 25 pieces to be framed by Blick Art Materials. This annual program offers the children in our community the opportunity to be creative, dream, and build their self-esteem. Will E; 4th grader, was selected to have his artwork in the calendar and Jasper H; 3rd grader, was selected to have his art work framed.

● Programs & Enrichment	\$29,368
● Scholarships	\$84,903
Total Operating Expense	\$1,783,069

Student Test Scores

As educators, we are constantly striving to help our students succeed. One way to measure their progress is by analyzing their test scores over the years. Completed annually by our 3rd-6th grade students, the Iowa Assessments serve as one indicator of student progress for Willowwind educators and parents. The results of the Iowa Assessments help teachers understand how students perform in key academic areas. By comparing their scores from previous years, we can see how much they've grown and identify areas where they might need more support. This process also helps us evaluate our teaching methods and adjust our approach to better meet the needs of our students. Ultimately, tracking student growth through test scores is a valuable tool for promoting academic success and ensuring that we are doing everything we can to help our students achieve their full potential.

Willowwind Student Test Scores

From the Board of Trustees

Warm greetings to our Willowwind community!

Welcome back to the 2023-2024 school year! It's been a great year and amazing summer and we look forward to a fulfilling academic year. The board would like to pass a warm welcome to our new head of school, Stacy Stoyanoff! Stacy hit the ground running in June and we look forward to our community welcoming him - lots of great things ahead!

For the coming year, the board of trustees will continue to build on the success and growth of the past few years to ensure the long-term viability and health of the school and our community. Our focus this year is on outreach and engagement - working hand-in-hand with our broader community to demonstrate our mission and core values. The board and head of school will be working on a few changes that will affect our school in the coming year. We will continue to communicate with you as we move forward. These are a few of the items we are tracking:

IOWA CITY COMMUNITY SCHOOL DISTRICT MIDDLE SCHOOL REALIGNMENT - Starting with the 2024-2025 academic year, Iowa City Community School District is realigning the middle school structure to create 6th-grade through 8th-grade campuses. Willowwind currently offers classes through 6th grade and will continue to offer this option to currently enrolled families. The board and head of school will work with the faculty to consider options for the future and determine how we best serve our Willowwind family and community.

COMMUNITY OUTREACH AND ENGAGEMENT - Willowwind offers a great deal to our community at large and we want to continue to expand our presence. Last year the upper grades completed an amazing solar system sculpture in Court Hill Park which is a visible (and highly complimented) way to showcase our learning and dedication to our community. Service learning will be a fixture as appropriate this year. Additionally, fall enrichment programs will be open to the community which will offer another path for introduction to our school. Look for other events - Harvest Festival, amongst others - that will offer an opportunity to meet our neighbors and share our mission. The hard work of the last few years creates an opportunity to turn our focus outward in the months and years to come.

GIVING BACK - WE NEED YOUR HELP! - The board of trustees is an *all volunteer force* and we are looking for partners! Please take advantage of opportunities to join committees or volunteer for events; the more our parent and student community contribute, the better our school will be for all. If time is a challenge, please consider a financial gift. In the current educational environment we are dedicated to providing an alternative that is valuable and necessary - every bit helps us continue this amazing institution.

The board of trustees could not do what we do without the support and collaboration we enjoy with the unparalleled faculty, staff, and community of Willowwind School. We continue to foster a spirit of teamwork and mutual respect as we collectively work to fulfill our school's potential. We invite you to join us as we look to the future:

Imagine that by 2025, Willowwind School shines brightly in the larger community for providing valued opportunities not available elsewhere in the educational ecosystem to a diverse group of students.

What does this look like?

Thanks to all for your support and engagement this past year - we are excited for the coming year and all it has to offer!

Sincerely,
The Board of Trustees of Willowwind School

Your Giving Fuels Their Learning

Aside from tuition, donations are Willowwind's biggest source of income. Without the generosity of our donor community we would not be able to provide students with the unique and enriching education they deserve or enhance their experience through a creative and engaging learning environment. There are a variety of ways you can support Willowwind and help fuel our passion for education and our students' passion for learning.

ANNUAL FUND

Our annual fund covers a wide range of costs--from programming to facility needs--making it one of the most fruitful ways to give to the school. The flexibility of the annual fund allows us to make the best decisions for our students year-round. As we consistently strive to provide a top tier education in a joyful learning environment, we look to our annual fund and community of donors for support with everything from day to day needs to larger scale projects and initiatives.

GIVE & GROW

The Give & Grow campaign is held annually in April in partnership with GreenState Credit Union. This campaign gives donors who are GreenState Credit Union members the opportunity to have their donations matched with the potential to raise \$15,000 for Willowwind. Unlike our annual fund, the Give & Grow campaign is restricted and allocated for specific needs that have been identified at the school.

GIFTS IN KIND

Gifts in-kind are another way to support Willowwind's mission. In-kind donations refer to donors donating their services or goods to the school. From telescopes to iPads and pottery wheels, our families have continuously advanced our students' learning environments by providing essential resources and opportunities to expand our curriculum.

VOLUNTEER

Willowwind is grateful to have such an incredible community of parents and friends. We lean into our volunteers to support Willowwind's events, outreach initiatives, committee work, and so much more. If you're interested in volunteering at Willowwind, please sign up through weekly news communications or contact Willowwind's office manager, Rachel Butler.

Email Rachel at rachelb@willowwind.org.

EMPLOYER MATCH

A great way to enhance the impact of your donation is by turning to your employer for a match. Many employers will match both monetary donations and volunteer hours for current and retired employees. Talk with your employer about doubling the impact of your gift and involving more of the community in Willowwind's mission.

HILLS BANK CLASSROOM CASH

Hills Bank Classroom Cash is a way for you to donate to the school without deviating from your regular spending. You can select a public or private school district of your choice and Hills Bank will make a small donation with every Hills Bank debit or credit card purchase. You can visit hillsbank.com/classroom-cash to learn more.

We love getting mail, so if you would like to **give by check** please send it to:

Willowwind School
950 Dover St.
Iowa City, IA 52245

We thank you for embodying Willowwind's goal of creating a compassionate community of Willowwind supporters.

We couldn't do it without you.

We are incredibly grateful for the generous support of our donors during this past school year. Thanks to their contributions, we were able to enhance our educational programs, provide valuable resources to our students and staff, and make a positive impact in our community. Our school can integrate better technology, improve facilities, buy educational materials, and hire highly-qualified teachers. We also provided support to families facing financial difficulties and collaborated with community partners to improve our students' health and wellness. We want to extend our deepest gratitude to our donors for their unwavering commitment to our mission and vision. Your generosity has a profound and lasting impact on the lives of our students and their futures! We thank you for being a part of our Willowwind community and taking this vital role in bringing our mission to life.
