## BEHAVIOR

All children have the right to learn in a safe classroom that is free from excessive distraction. When a child's behavior becomes a distraction, the faculty and staff use a number of strategies to mitigate the issue. They begin with reteaching, reinforcing, and acknowledging appropriate behavior, and then move on to redirecting the individual student. If a child is unable to correct their behavior or is unresponsive to teacher interventions, Willowwind reserves the right to excuse the child from the Enrichment Program. Refunds will not be made for current class days not attended due to dismissal.

## AFTER SCHOOL PROGRAM (ASP)

Our After School Programs (ASP) is available for preK through sixth grade students. Students are invited to join ASP while they await the start of their enrichment class and snack will be provided after enrichment if desired. There is no cost to join ASP before the start of your enrichment class. Willowwind ASP begins at 3:15pm on M/T/W. ASP begins at 2:00pm on Thursdays. New families can expect an email from our Programs Coordinator to discuss the required forms needed to participate in Willowwind's after school program.

If after attending the first day of class, you decide that you do not wish to continue, let us know before the second class and your tuition will become a credit, which you may use toward another available space in a fall 2024 class. After the second day of class, we will not make any tuition or enrollment adjustments.
